### RCDC MISSION STATEMENT

**WHAT IS RCDC** - The Rose City Discussion Club holds meetings in Portland and welcomes all ladies and gentlemen of BDSM/fetishes/scenes that are *safe, sane, consensual, and FUN*. Our mission is to offer an informal neutral forum and a supportive environment to diverse alternative interests. RCDC stresses education, resources, and social in a friendly atmosphere.

**NOT** - RCDC is **NOT** a swing club, nor do we offer dating or professional services. RCDC does not accept unlawful or non-consensual orientations such as abuse, bestiality, under age, or dangerous interests. RCDC doesn't maintain mailing or phone listings, nor do we give out such information.

**ALMOST MONTHLY MEETINGS** - RCDC features guest speakers and lively discussion and stresses education, safety, resources, workshops, social, and great FUN. Meetings are attended by ladies and gentlemen (75+ people) of all interests, ages, and backgrounds (just like you). You are not required to join the club to attend. There is no dress code inside the safety of the meeting room.

**ACCEPTANCE/SUPPORT** - Our membership promotes the encouragement of people in their acceptance of themselves as normal, productive individuals that also have unique preferences. Different is the norm here.

**WHO ATTENDS MEETINGS** - Open to all adults over 18 years of age. RCDC is pansexual and honors diversity (like no one else can) and is open to ladies, gentlemen, couples, and singles. Members, non-members, visitors, beginners, "mainstreamers", and "newcomers" are all welcomed and encouraged to attend the monthly open program meetings.

**SINGLES** - If you are single, or part of a couple & attending as a single, you are most welcome to attend meetings. Our goal is continue to create a high quality safe atmosphere that single people will find comfortable.

**NEWCOMERS** - You are more than welcome and you will find plenty of company. You're OK and you are not alone.

**BEYOND BDSM** - RCDC is open to all fetishes and interests that are safe, sane, and consensual. If you have a fetish or interest other than BDSM, RCDC is still the right place for you. People of various fetishes and interests attend RCDC meetings, though these interests are less noticeable (up to you to change this!).
